Special Edition

President's Corner

Welcome spring. Time to celebrate St. Patrick's Day- Join us for dinner Saturday March 18th at the Boathouse Restaurant in Winona Lake. See information attached.

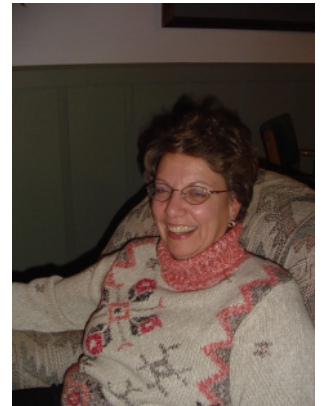

Spring tune up will be the weekend of May 6th and 7th at Tim and Renee Mahnensmith's house. Mark your calander now.

Let's get eveyone involved this year and see who can attend the most events.

Also attached is a member profile that we are asking everyone to complete and return via mail or email to Jeff and I. This information will be used to create a member profile by our newsletter editor in the Outspoken' each month. Don't worry if you don't have a picture of your car to attach, if we don't already have one on file, we will be in touch to come out and take one. Don't forget at least one Healey memory, and send as many as you want. We may try to incorporate these into our web page- what a way to create a diary of our club's history.

So put on the green and add a shamrock to your hat and join us for dinner- See you there.

The Mahnensmith family wishes to thank everyone for their thoughts and kindness at the loss of Tim's father, Charlie. They especially thank those who made the trip to Ossian to pay their respects and the beautiful plant that was sent on behalf of the Healey Club. Charlie and Leona were early "members" and always opened their doors, both home and garage, for tune-ups. Charlie will be missed.
